

# Innova<sup>®</sup> Apex

Advanced Cream Yeast

## PRODUCT CHARACTERISTICS / PROPERTIES

Component name	Yeast viable count
Activity	5,000,000,000 /g
Color	Light brown
Physical form	Liquid
Approximate density (g/ml)	1.05
Approximate pH	5.0
Odor	Slight fermentation odor

## PRODUCT SPECIFICATION

	Lower Limit	Upper Limit	Unit
Living cells at packaging	5,000,000,000	10,000,000,000	/g
Lactobacillus		10,000	/g

## GM STATUS

Production organism                      *Saccharomyces cerevisiae*

This GM product contains active microorganisms, which have been improved by means of modern biotechnology.

## STORAGE CONDITION

Recommended Storage:            1-7°C (33-45°F)

Packaging must be kept intact, dry, and away from sunlight. Please follow the recommendations and use the product before the best-before date to avoid the need for a higher dosage.

**Best before:** You will find the best-before date in the certificate of analysis or on the product label.

The product gives optimal performance when stored as recommended and used prior to the best-before date.

Shelf life:

Shelf life:                              70 days or 2 months.

## HANDLING PRECAUTIONS

See the Safety data sheet for information regarding safe handling of the product.

## COMPLIANCE

Distillers Grade

This product contains non-pathogenic, non-toxicogenic microorganisms, with a history of industrial use, and is known to be safe.

## CERTIFICATIONS

Novozymes is a signatory to United Nations Global Compact, United Nations Convention on Biological Diversity and report on our sustainability performance through Global Reporting Initiative (GRI). See all our commitments under sustainability on [www.novozymes.com](http://www.novozymes.com).

## PACKAGING
